

How to get to the UNSW College L5 Building

[You can see this building on Google Maps here.](#)

If you are travelling by light rail, you should get on the **L3 light rail** heading towards Juniors Kingsford, and **get off the UNSW Anzac Parade stop**. Once you get off the light rail, cross the road on the right side (the left side goes to the main UNSW Sydney campus, not UNSW College) and then turn left, walk straight to cross another road once more.

Once you have crossed the road a second time, continue walking until you see wooden stairs on your right hand side. Walk up these stairs and you will see our friendly staff and volunteers in yellow shirts ready to welcome and direct you to where you need to go to kick off your Orientation Day!
