<p><b>UNSW PASS*</b> <b>Peer Assisted Study Sessions</b></p> <p><b>*Open to Business &amp; STEM Diploma students ONLY</b></p>	<p>UNSW PASS offers free, weekly, out-of-class study sessions to undergraduate students in targeted courses. These sessions are also open to select UNSW College Diploma students.</p> <p>The sessions are facilitated by empathetic students who have successfully completed the course.</p> <p>Attending PASS regularly can help you to:</p> <ul style="list-style-type: none"> <li>• Improve your grades.</li> <li>• Deepen your understanding of the course content.</li> <li>• Develop skills for independent university study.</li> <li>• Make friends. Feel more confident in your studies.</li> <li>• Save time with smarter study methods.</li> </ul>	<p>Timetables are published in the early weeks of each term.</p>	<p>Sessions are offered on UNSW Main campus or online.</p> <p><b><u>Business Program</u></b> Scan below QR code to view timetable for current term.</p>  <p><b><u>STEM Programs</u></b> Scan below QR code to view timetable for current term.</p> 
<p><b>Teacher Consultations</b></p>	<p>Teacher consultations support students with the areas of study they find more challenging. Students can attend consultations for each subject to have a teacher answer any questions about content covered in class that week. Consultations are also an opportunity to check you are on the right track with your study approach.</p>	<p>Consultations run every week.</p> <p>Days and times differ per subject.</p>	<p>Refer to the Moodle Course Page for each subject to find consultation timetables and session links. Or ask your teacher in class.</p>
