

# Student Representative Council (SRC)

## STUDENT GUIDE

**UNSW**  
College

# Contents

1. What is the SRC?
2. SRC roles and responsibilities
3. Benefits to students
4. Application and selection process
5. Interview process
6. How often, when and where
7. Output, expectations & KPIs
8. Promotion & marketing of SRC

# What is SRC?

## The SRC is the peak representative body for students.

Comprising of 8-10 current students from across various programs at UNSW College.

The SRC represents and advocates the interests of UNSW College students, with the aim of enhancing and enriching the student experience across the entire student community.

# SRC Roles & Responsibilities

## 1. Student Agency

The SRC plans and executes events which align with the wider cohort of students' social needs and personal development interests. This involves collaborating with the Student Experience Team.

## 2. Student Voice

On a quarterly basis, the SRC provides a formal, qualitative feedback channel to UNSW College leaders about student expectations and overall student experience.

**What are the  
benefits to our  
students?**

**SRC membership offers self-development, professional growth and career opportunities - and lifelong friends.**

In a supportive team environment, Student Reps will develop and strengthen leadership skills, influence decision-making, connect with various teams, assist fellow students with having their voices heard, and be involved in the coordination of College-wide events.

# Applications, Interviews & Selection Process

SRC positions will be advertised across student channels and students from all programs are encouraged to consider the opportunity to join the Council. Priority is given to students who already volunteer at the College.

Interviews will be conducted by a panel of Student Experience team members.

Successful candidates are those who clearly demonstrate a passion for leadership, making a difference & collaboration.

# Expectations & KPIs of SRC

## How we measure success:

- Overall student engagement at SRC Events
- SRC team participation in events
- SRC collaboration and team effectiveness
- Attendance at SRC Meetings
- Student Feedback

**If you have any questions, please reach out to the Student Experience Team at Level 1 of the UNSW College L5 Building.**
