

How to get to the Science Theatre

[You can see this building on Google Maps here.](#)

If you are travelling by light rail, you should get on the **L3 light rail** heading towards Juniors Kingsford, and **get off the UNSW Anzac Parade stop**. Once you get off the light rail, cross the road on the left side towards the yellow UNSW Sydney sign.

Once you have crossed the road, walk straight along the long strip (called the University Mall). If you keep walking straight, eventually you will see the Science Theatre on the **left hand side** so keep your eyes on the buildings on your left.

You can view the campus map [here](#).
