Key Terms

zID (Student ID Number)

You will use this to log into Moodle – your online learning platform, your student portal, Allocate Plus for your attendance, and to access your student email.

Your ZID can be found in the pre-orientation email sent by UNSW College.

Student Portal - JR Plus

Where you can update your personal information and view your results. It is very important that we have your most current contact details.

Moodle

Your online learning platform. You will use Moodle for coursework and assignments in your classes.

MFA (Multi-Factor Authentication)

MFA is required to access Moodle and your UNSW emails.

Activate Your zID

Go to:

https://iam.unsw.edu.au/home

1. Find Your zID. Your zID has been emailed to you.

ZID is included in **an email** from UNSW College, you should receive email prior to your orientation.

Search your email for zID to continue your IT Setup.

If you cannot find it in your mailbox, check your spam or bin box.

The email should look like this:

What to prepare

This is your unique zID:

Your zID will be displayed here

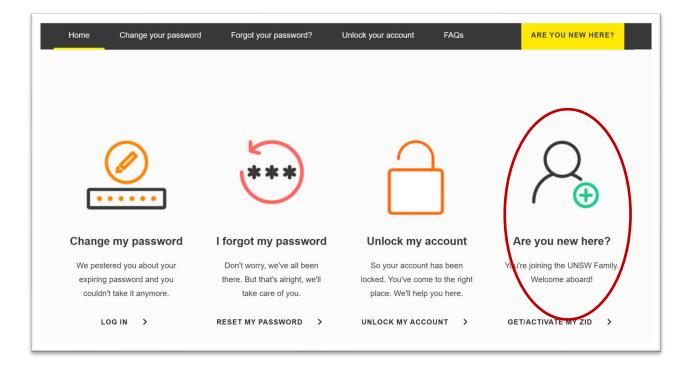

Before Orientation, you are required to complete the steps under **Set Up Your Student Accounts** in the "Get Started" section on your Orientation page using your unique zID.

Get Started

Go to:

https://iam.unsw.edu.au/home

Click on the 'Are You New Here?' button and fill out the form.

New Students

STEP 1 Tell us who you are: At least one of these fields must be completed *

If you applied through UAC, please enter your 9-digit UAC Number or 8-digit Gateway Number.

Leave blank umber from Gateway or UAC

If you have a 7-digit UNSW Student ID, please add the prefix "z" to your 7-digit Student ID

Your ZID, eg: Z1233456

STEP 2 We will send a 6-digit one-time passcode (OTP) to you, which you will need to enter on the next screen. *

Please nominate where the OTP is to be sent (based on information you provided to UNSW):

- SMS the OTP to my phone, or,
- O Email the OTP to my personal email address

STEP 3 Prove you are not a robot by retyping the characters that follow: *

I have read and accept the <u>Acceptable Use</u>
of UNSW Information Resources Policy

CONTINUE

Set Up Student Email

Go to:

https://my.unswcollege.edu.au/

What program do you study?

Select This

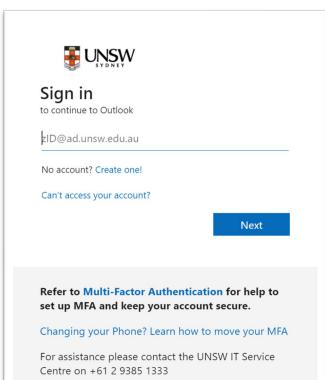

>

Pre-Masters, Academic English (EAE, UEEC, FEEC, TOP, OUEEC), 2025 Foundation Studies, Diploma under UNSW College Policy

Foundation Programs

Click on the 'Quick Links' button, select the 'Foundation Program' tab. And click on the 'Student Email'

Login using the format: ZID@ad.unsw.edu.au

For example: z1234567@ad.unsw.edu.au

Set Up Your MFA

This is a compulsory UNSW security requirement.

There are 2 steps to setting up MFA (Microsoft Authenticator)

To complete this task, you will need

- Your zID@ad.unsw.edu.au account and password.
- A compatible smartphone with data connection.

Step 1:

Install the Microsoft Authenticator app on your mobile.

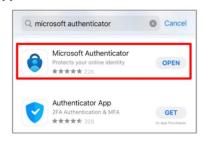

Part 1: Install the Microsoft Authenticator app on your smartphone.

- On your smartphone, Install the Microsoft Authenticator app.
 - a. In your smartphone's app store (such as Google Play or App Store), search for the free Microsoft Authenticator app as shown.

Be aware! Microsoft Authenticator app is free and will not require a subscription.

Alternatively, you can get the app on your phone by scanning a QR code with your phone.

Note:

If you have **Huawei/HONOR** smartphones, you may not be able to download Microsoft Authenticator APP directly.

If this happens, you need to download an app called Gspace (www.gspaceteam.com), then log in their Google Account and download the Microsoft Authenticator app from the Gspace app.

Part 2: Register Microsoft Authenticator on your computer.

Part 2 has 13 steps. Please follow all steps to ensure that registration is complete.

 On your computer, open a web browser, (E.g., Chrome, Microsoft Edge, or Safari) and start an *Incognito, InPrivate* or *Private* window by pressing:

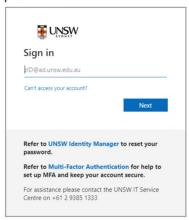

Please close any other active browser windows leaving only the current Incognito/ InPrivate /Private window open.

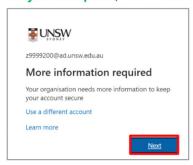

a. Copy and paste this url into that window:

https://aka.ms/mfasetup

2. **On your computer**, at the *Sign in* window, sign in by entering your zID@ad.unsw.edu.au and password.

3. On your computer, at the More information required window, click Next.

4. On your computer, at the Start by getting the app window click Next.

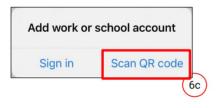

5. On your computer, at the Set up your account window click Next.

You will be shown a QR code on your computer screen.

- 6. On your smartphone, Open the Microsoft Authenticator app, allow notifications/access to camera (if prompted), and
 - a)Tap the + (Plus) sign
 - b) Tap Work or School Account.
 - c)Tap Scan QR code

 On your smartphone, use the Microsoft Authenticator app to scan the QR code shown on your computer screen.

The app should successfully add your work account on your smartphone.

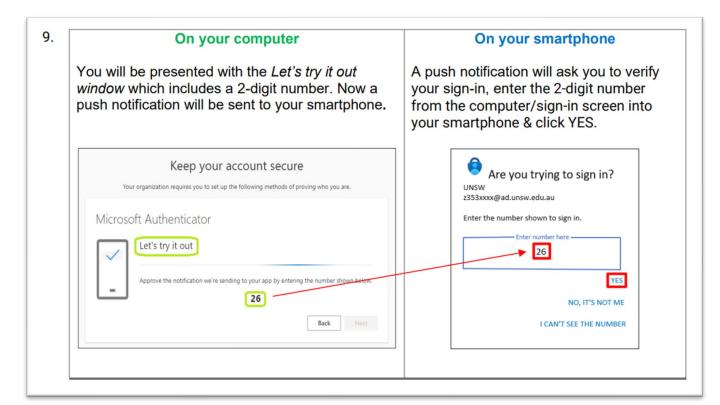

8. On your computer, after your phone has recognised the QR code scanned, click Next.

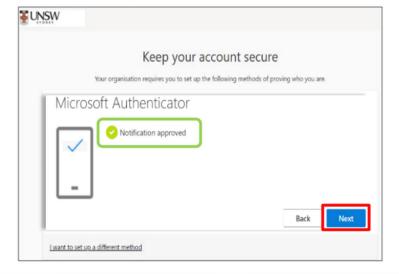

<u>Hint:</u> If you are using a second monitor and having trouble scanning the QR code shown on your second monitor, try moving the QR code screen to your primary monitor, e.g., your laptop monitor.

If you are still unable to scan the QR code, click the **Can't scan image?** option and follow the prompts.

On your computer, at the Notification approved screen, click Next.

Important to note:

- 1. You only need to set up MFA one time.
- 2. Do NOT DELETE or un-install the MFA app on your phone.
- 3. If you get a new phone, you need to call UNSW IT on (02) 9385 1333 and ask them to disconnect your MFA account from your old phone. This is because your MFA can only be linked to one device.
 - Once you call (02) 9385 1333, you will hear a few choices to ensure you are directed to the right team.
 - Press 1 on your keypad, and then press 4 to be taken to MFA support.

After that, you can reconnect MFA to your new phone (by following the above steps again).

Security: Update Your NEW Sydney Address & Phone Number in the Student Portal

Go to

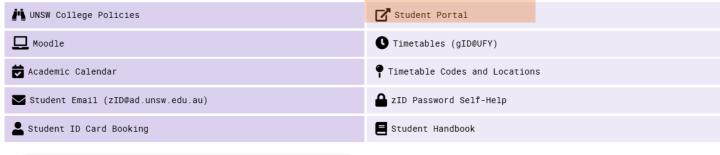

https://my.unswcollege.edu.au/

Click on the 'Quick Links' button, select the 'Foundation Program' tab.

And click on the 'Student Portal'

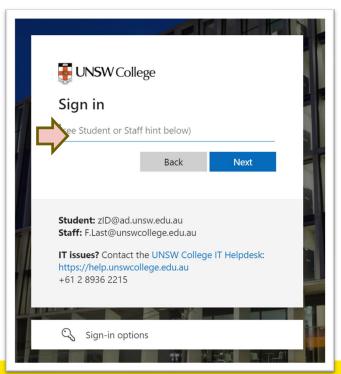

Foundation Programs

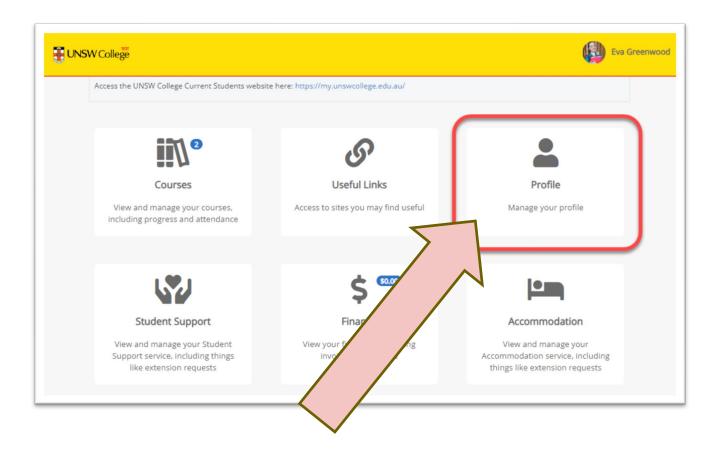

Step 2, sign in with zID

Your Username: zID@ad.unsw.edu.au (eg. z1234567@ad.unsw.edu.au)

Open the Profile link and complete the following 3 tasks:

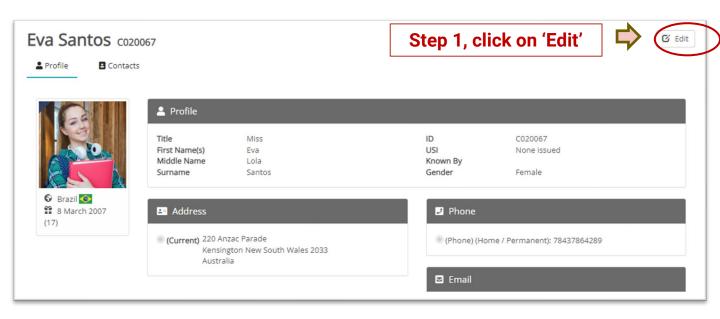

- 1. Upload a passport photo of yourself taken in the past 12 months.
- 2. Update your local Sydney address + local mobile phone number.
- 3. Update your emergency contact information.

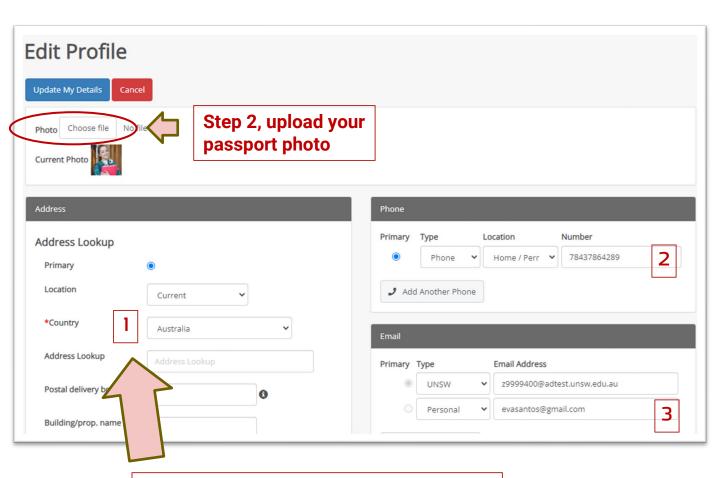

Tips: Make sure the photo you upload meets the requirement. Here are some examples:

How to update your personal details

Step 3, update current address, mobile phone, and personal email address
