- You will be given access to Moodle *after* your Orientation. Please follow the study plan in your handbook (**Diploma Hub on Moodle**) to choose your courses for the **next terms**. Please refer to **step 4.1.2** to choose the correct courses for this term according to your specialisation. If you are not sure about your specialisation, please email us at DiplomaEnquiry@unswcollege.edu.au as soon as possible and we will be able to help you.
- Please check your specialisation and your stream to enrol in the correct courses. Choosing an incorrect course could mean that this course will not count towards your Diploma. **If you choose courses that vary from the courses listed in step 4.1.2, you may not be able to enrol in Term 1 2025.**
- If a course is full, you can still enrol by joining the waitlist. We will review your request and update it in myUNSW. If we can't enrol you in that course we will let you know to choose an alternative course.

- e) If you want to change your classes; you need to go through Step 7 again and select the classes you would like to register for. If you don't choose classes for all components for a course or have a clash (two classes at a same time- the timetable will show clash in Red); you will not be able to register for that course.
